Connecticut History Day Statement on COVID-19

The State Office at Connecticut History Day has been in contact with State Officials, and at this point there are no plans to postpone any of the Connecticut History Day Regional Contests. We will continue to monitor the situation closely and should we need to postpone a contest that information would be conveyed through email to teachers and parents, along with posts on the CHD website and on social media pages. We will not refund registration fees, as we would reschedule the contest (either as a remote-access contest or an in-person one for a later date).

The State Office of Connecticut History Day is located at Connecticut’s Old State House (CTOSH) and is managed by the Connecticut General Assembly (CGA). Our staff are following the CGA’s procedures and guidelines for healthy and clean spaces. These procedures are informed by the latest updates from the US Centers for Disease Control and Prevention (CDC) and are also being implemented at the State Contest and Legislative Office Building.
