History Day participants have access to **FREE parking in Lots Z and Y.**  
Z Lot, 2075 Hillside Rd, Storrs, CT 06269  
Y Lot, Storrs, CT 06269

The walk to McHugh Hall from Z Lot is approximately 5-6 minutes. You can download the UConn app for an interactive map of campus to enhance your experience while at UConn.

\*Please note that Hillside Road is a pedestrian-only zone between Glenbrook Drive and Jim Calhoun Way.

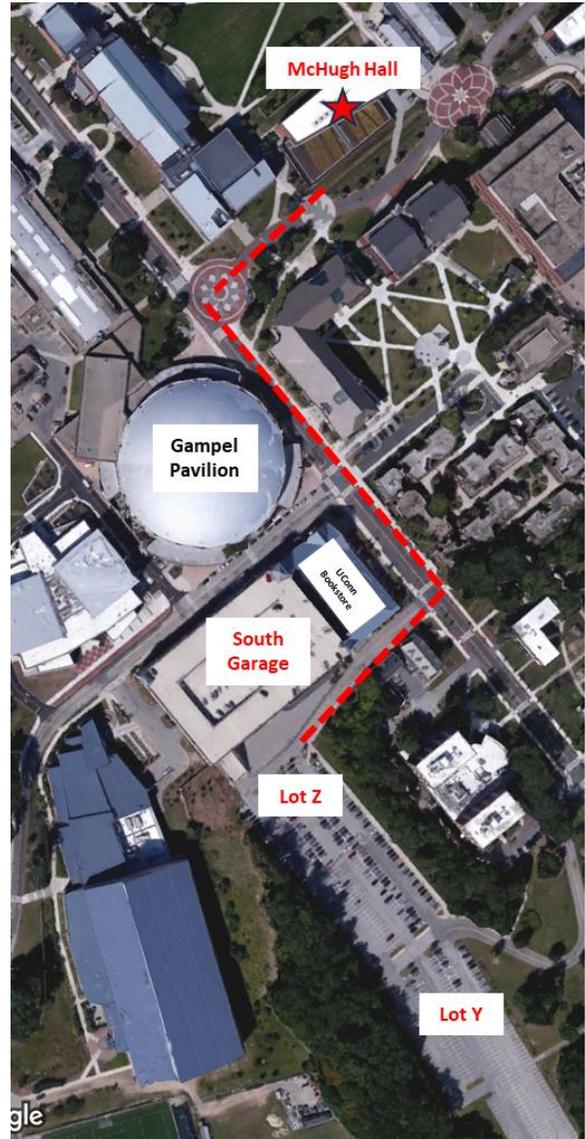

Drivers entering campus from the north and west should use Alumni Drive, and those entering campus from the south should use Bolton Road.

### Additional Parking

Additional paid parking is located in the South Parking Garage, next to Gampel Pavilion and across from the new Student Recreation Center. All UConn parking garages now use the *PayByPhone* or *Flowbird* apps, which must be downloaded and set up prior to entering the garage.

**Exhibit/Prop Drop-off Area:** Students are encouraged to bring a cart to transport large/heavy props or exhibits as we **do not** have a designated drop-off location. A few parking spots at Gampel along Jim Calhoun Way may be used if open, but drivers must move vehicles immediately upon unloading.

**Handicapped Parking:** There is handicap parking available in the South Garage. Handicapped Parking permits are required. For a complete map of Accessible Parking, visit: <https://accessibility.uconn.edu/campus-access/>
